The five towers will house the General Administration Department (GAD), the Andhra Pradesh State Secretariat, and the Head of Department (HoD) offices.

The Andhra Pradesh Capital Region Development Authority (APCRDA) has already invited tenders in three packages for construction of the five towers.

It is estimated that the GAD tower costs ₹844 crore. While the cost of towers 1 and 2 is put at ₹1,423 crore, the cost of towers 3 and 4 is estimated to be ₹1,247 crore.

These buildings are designed in a way that the HoD offices and the Secretariat (around 145 departments) co-exist to bring efficiency in their functioning. They will have office spaces, a variety of amenities and basement parking.

The proposed Secretariat and HoD buildings will have sufficient office spaces (chambers, open offices etc.), conference facilities, podiums, and common amenities for the staff.

According to the documents provided by the APCRDA, four towers will have Basement + Ground + 39 floors, while the GAD tower, the tallest on the southwest, will have B + G + 49 floors. The total site area is 32 acres. Each floor has a built-up area of 2,209 sq. m and carpet or floor area of 1,200 sq. m. The towers together will have a built-up area of approximately 4,85,000 sq. m.

The Hindu article reports Government's estimations as follows,

GAD Tower – Rs. 844 cr.
Tower 1 & 2 – Rs.1,423 cr.
Tower 3 & 4 – Rs. 1,247 cr.

Note – The integrated Amaravati Government Complex would be constructed in an area of 4,85,000 sq.m. (52,20,497 sq.ft)

The estimated cost is Rs. 3,514 crores. Contract awarded for value – Rs. 3,673 crores (4.54% escalation over ECV).

Monetary value of reimbursable is – Rs. 681 crores.

Administrative sanction for MEP works – Rs. 2,316 cr. (Source – GO RT 316 dt. 16/03/2026)

Vijayawada.

To All Heads of OMCs (MSHSD)

Sub:-APCRDA – Supply of adequate quantities of diesel –
Requested – Regarding.
Ref:- Lr.No.01/USI/ Diesel (HSD)/2026 Dated 23-04-2026 from
the Commissioner, AP Capital Regional Development
Authority(APCRDA).

I invite attention to the reference cited, wherein the Commissioner, AP
Capital Region Development Authority (APCRDA) has informed that
Amaravati, envisioned as a flagship development program for the growth and
transformation of the State of Andhra Pradesh.

As per the consolidated assessment, the total diesel requirement up to
July 2026 is approximately 27,566.25 KL, with substantial monthly demand for
executing the works.

Summary of Diesel Requirement (KL):

- April (Balance): 4,238.84
- May: 8,879.61
- June: 7,527.72
- July: 6,920.08
- Total (up to July 2026): 27,566.25 KL

The Commissioner, APCRDA has requested to facilitate the
arrangement and allocation of adequate Diesel (HSD) from nearby petrol
bunks at retail price to support the ongoing works in Amaravati Capital City.

It is requested that the above matter may kindly be examined and
appropriate instructions may kindly be issued to the concerned authorities at
the earliest in this regard.

Yours faithfully,
K KANNA BABU, I.A.S

Commissioner of Civil Supplies.

Dear Sir,

I am writing to draw your attention to the communications issued by the Commissioner of Civil Supplies, Government of Andhra Pradesh vide CCS.Ref.No./4767597/2026 and CCS.Ref.No./4767548/2026 dated 24.04.2026, directing Oil Marketing Companies (OMCs) to supply bulk quantities of High Speed Diesel (HSD) from Retail Outlets (ROs) for, inter alia, construction activities in Amaravati Capital City.

2. The aforesaid directions are not in conformity with the provisions of the Petroleum Rules, 2002, particularly Form XIV conditions 16(4), and the guidelines issued by the Petroleum and Explosives Safety Organisation (PESO). As per extant regulations, petroleum products at retail outlets are permitted to be dispensed only into fuel tanks of vehicles or into approved containers, subject to a maximum limit of 200 litres. Retail Outlets are not licensed for bulk supply operations.

3. Further, the said directions may also lead to situations of non-compliance with the provisions of the Motor Spirit and High-Speed Diesel (Regulation of Supply, Distribution and Prevention of Malpractices) Order, 2005 issued under the Essential Commodities Act, 1955, as they compel deviation from prescribed modes of authorized sale and distribution.

4. Further, OMCs have well-established Direct Sales mechanisms specifically designed to cater to bulk consumers, including infrastructure and construction projects. Any diversion of bulk fuel sourcing to ROs not only contravenes statutory provisions but also raises safety, licensing, and operational concerns.

5. It may also be noted that the Door Delivery of Diesel (DDD) scheme notified by this Ministry provides an appropriate and compliant mechanism for supplying fuel to stationary equipment through PESO-approved bowlers.

6. In view of the above, I would request you to withdraw the said communications which are inconsistent with extant instructions/regulations.

7. I would appreciate your kind intervention in ensuring adherence to the extant regulatory framework in the interest of safety and uniformity in fuel distribution across the country practices.
